## WORK EXPERIENCE

**Graphic Designer** *2018-10 - 2020-04*
*Mohawk College, Hamilton, ON*

- Created aesthetically-pleasing social media advertisements that meets clients' needs.
- Developed creative design for marketing packages, including print materials, brochures, banners and signs.
- Designed layout and overall aspects of new school planner, *onTRAK*.
- Applied knowledge of production to create high-quality images.

**3D Animator** *2015-06 - 2016-06*
*Andi Studio, Seoul, South Korea*

- Used Autodesk Maya to create over 5 realistic dinosaur characters with full range of emotions and movement as part of movie project Jeombaki: Dinosaur of Hanbando(Korean Peninsula) II.
- Developed and maintained courteous and effective working relationships with other teams through project.

**Data Curator** *2013-05 - 2013-12*
*Google, Seoul, South Korea*

- Tested and curated data algorithm testing program to reduce redundancies in data collection.
- Sorted and entered movie and music data to backend database. Designed new DC team blog webpage independently.
